## For Vice-President, ANDREW JOHNSON OF TENVESSES.

SUNDAY MORNING, JUNE 26, 1864

The Nomination of Gov. Johnson-Its Significance.

culiar desert of Southern loyalty.

This display of feeling is of much 'unhely war." to all who dwell north of Mason and time since, when it was thought his made between the epithets applied to ing to support him; but to-day there are each. The supporters of the Adminis none so foolish as to suppose that Lixits opponents are more apt to be favor- ceremoniously dropped. make him inveterately hostile to the of Ohio.

even allow the fact that the rebellion is and trimmers-uniform defeat. exclusively sented in the South, and people have given their adherence to In 1817 a treaty was made between it, to induce upon them anything like the United Sistes and Great Britain to an anti-Southern feeling. It is the rethe following effect: "That neither bellion alone that they hate. A South- power should maintain a naval force save that Grant is again changing his City Point with over 700 prisoners, reern man who opposes the rebellion, who upon Northern lakes, except that each base, and looking towards Shirley, so cently captured in front of Petersburg. stands firmly by the old flag, instead of might have one vessel of not more than lan's old base. He is welcome to it, if ing thus far this week. suffering any distrust and prejudice on one hundred tuns, and armed with one he'll confine himself to it, but I think account of his nativity, in fact is admi- eighteen-pounder gun, on Lake Ontario, he may take the south side, which red and applauded all the more because and the same on Lake Champlain, and would prove less agreeable. His army faw, to the effect that further drafts two vessels of like tunnage and armahas a far stronger hold upon the great ment on the upper lakes." This treaty prove, as they are sending him—to repopular heart of the North than he was liable to discontinuance after a place the old regiments fast leaving the House concurs in this action, furcould have had if he had been born in specified time, upon six months' notice him—the hundred days enlistments, ther drafts will be for one year at the the North. He is no more loyal than by either party thereto. The House who will die off like sheep, and rather longest, and for a shorter period if in bundreds of thousands of others. But Naval Committee, on Friday, instructed works about Cold Harbor induced the service of additional men will not be the peculiar glory of his loyality is that their Chairman, Mr. Rice, to report a belief of a seige, as he was making his needed for the full time. - Cia. Cop. it is Southern loyalty; and it is because joint resolution proposing that the Uni- approaches at some points by bayoux, the people are particularly desirous to ted States now give that notice. recognize and honor that loyalty that

It is to be hoped that the recommental in the reco work of restoring the Union, will know form be responsed to the response to the restoring the Union, will know form be restored to the restoring the Union, will know form be restored to the restoring the Union, will know form be restored to the restoring the Union, will know form be restored to the re work of restoring the Union, will know fore be prepared. no such thing as sectional antipathy.

This nomination for the Vice Presidency receives peculiar favor for another excellent reason. It not only attests the true Union feeling, but it ciple. It completes the thoroughly en counties were represented. The folures already adopted may relieve the thoroughly leading Section 1. representative character of the ticket. The New York World, with a mal-lows: Secretary of State, John II. Wal-adroitness as laughable as the spirit was contemptible, sneered at the ticket as made up of "rail-splitting buffoon urer of State, John B. Lash of Henry Virginia have suffered tortures wherand a boorish tailor, both from the brekwoods, both growing up in ancouth gnerance"—ending its period with an | county; Supreme Judge, T. B. Monroe allusion too obscene to be republished. of Dubuke. In like manner the Richmond Examiner announces the ticket as "a renominanious, and finally adjourned in confu two, Em and Rob., have both grown a tion for President of ABRAHAN LISCOLN, the Illinois rail-splitter, and for Vice-President, Andrew Johnson, known in sembly should have had more respect Rob., S-four in all; requiring two President, ANDREW JOHNSON, known in of the meanest of that craft." The for the putred carcass of Copperhead rooms. Make my kindest regasds to idea of both the Copperhead and the rebel is the same-namely that Lixcots and Jonness are unwershy of bonor because they once lived by manual labor. It is an idea inseparable postponed to the 29th of August. Cerfrom a friendship for Slavery. That institution, everybody knows, rests The party want to adapt their princisolely on the assumption that manual ples to circumstances. If Grant suclabor should be the lot of an inferior ceeds at Richmond, and Sherman at The reading of Secretary Stanton's diseaste only. In every slave-holding lif they are defeated, then peace. In cing the taking of Petersburg, was markways accounted a degradation.

holder of Slavery should taunt the Union party for naming candidates who and disaster. Nothing would suit the with a burst of delight that interrupted street; also the home to room for the balance of the party for naming candidates who Union party for naming candidates who and disaster. Nothing would suit the with a burst of delight that interrupted burst of their lives plain latter so well as to hear that Grant had the reading of the dispatch. The Demily part colors imprice on the premises. working men. Nothing is more fit than been defeated, and his army destroyed, ocratic side of the House sat silent and Ame at -120 that the Union party which has de and they lose no opportunity to belittle sullen, four members only enthibiting clared that Slavery must be extermina- A war Democrat, says a peace writer in with which Grant cowned his murvelted from the land, should have selected.
